WE DO SUPPLY MACHINE TOOLS & TECHNOLOGIES

WE DO SUPPLY MACHINE TOOLS & TECHNOLOGIES

Siam Elmatech Group of Companies

All along since we start business, 20 years (2015) being Machine tools agent in Thailand, we have about 2000 Units of Machinery to take care. The reputation is increased more & more day by day.

Siam Elmatech provides 100% of support for after sales services, spare parts and applications need for every kinds of machine we have in our sales' program.

Since 1995 on Nov. '20, we have started our business from an idea of Service Engineer who need to sales the goods by engineering of the goods (not by the brand name) at first. Until today, we will start with money of 100 per cent now if compared to what it should from the initial idea of founder.

The initial idea of founder still be the first aiming for every cases since that moment we start until today. And we will continue to keep it in our mind, always.
